

CELL DISCUSSION QUESTIONS *following Sunday October 28:*
GOODNESS: LOVE REACHING

WELCOME: “Frankenstorm” Sandy is rushing towards us as I write. Likely by the time your group meets it will be past. Feel free to discuss your experiences. Where were you? What happened?

Or

How do you feel about the US elections (just listen - don't argue!) What good do you hope will come from it?

WORSHIP: Recite Psalm 136 together having one person read the first line and the rest of the group chiming in on “His Love endures forever.”

WORD: Read Ephesians 5:1-9

How has God been God to you? Name something good someone did for you?

“Don't tell me the moon is shining”; said Anton Chekov “show me the glint of light on broken glass.” What do you think Chekov means by that?

The Greek word for goodness means something like is shared good, good for others, good that is measurable?

Read: 2 Thessalonians 1:11 What else does this suggest about goodness?

Read: Romans 15:14 What else does this suggest about goodness?

Read: Ephesians 5:1-9 What else does this suggest about goodness?

WITNESS / MISSION: Three ideas about being good were suggested on Sunday.

Joining and then participating in the Danforth East Community Association
Building relationships doing goodness via the Save the Mothers
Voting on-line for Parkdale Neighbourhood Church (Aviva Community Fund)
If these don't appeal to you, what goodness will you do between now & next week?

[Said Pastor Duke, once to his Youth Group, “If you can't think of one good thing to do for someone in one week, you might as well give up now.”]
